Subsequent Measurement:

Borrowings have been measured at fair value using effective interest rate (EIR) method. Effective interest rate method is a method of calculating the amortised cost of a financial instrument and of allocating interest and other expenses over the relevant period. Since each borrowings has its own separate rate of interest and risk, therefore the rate of interest at which they are existing is treated as EIR. Trade and other payables are shown at contractual value/amortized cost.

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expired.

XVI- MATERIAL PRIOR PERIOD ERROR

Material prior period errors are corrected retrospectively by restating the comparative amount for the prior periods presented in which the error occurred. If the error occurred before the earliest period presented, the opening balance of assets, liabilities and equity for the earliest period presented, are restated.

10. (i) The Company has reviewed the policy of provision of Bad & Doubtful Debts against sale of power from FY 2021-22, in order to ensure compliance as well as accounting in accordance with the provisions contained in the Ind AS-109 and companies Act, 2013. The objective of introducing/implementing new policy is to provide a scientific approach and logical mode of calculation for creating provision on the receivable reflecting at the Financial Year end i.e. 31.03.2024. The Company has adopted simplified approach described in the above Ind AS to calculate the expected credit loss as tabulated below:-

(₹ In Cr.)

Ageing Bucket	Arrear Amount	Provisioning %	Provisioning Amount
Up to 6 Months	6,424	0%	0
Greater than 6 months and up to 1 year	1,692	34%	573

Greater than 1 year and up to 2 years	1,772	37%	659
Greater than 2 year and up to 3 years	1,090	43%	470
Greater than 3 years	17,341	60%	10,405
Total Provision as on 31.03.2024			12,107
Less:- Provision made upto 2022-23			10,142
Provision for the FY 2023-24			1,965

Note:- Following assumption/management estimate has been considered while formulating the above mentioned provisioning rates:-

- a) Electricity dues/receivables from Government Consumers as at the financial year end has not been considered for provisioning towards Bad & Doubtful Debts considering that the GoUP makes the provision regularly in its budget towards payment against electricity dues/receivables from the Departments of GoUP based on the decision taken to release payment of electricity dues/receivables centrally. Further, the Central Government's Departments generally make regular payment of electricity dues/receivables.
- b) Under age bucket upto 6 month:- As company believes that the consumers in this category are in the phase of temporary disconnection for 6 months until it becomes permanently disconnected and would pay their dues within 6 months from the date of being temporarily disconnected based on the collection efforts and initiatives being taken. The chances of recovery during this period are significantly higher. Therefore it has been assumed that the expected loss amount would be zero in this age bucket.
- c) Under age bucket greater than 3 year:- As per IND AS 109 under this age bucket as per the simplified approach calculation loss amount would be the total outstanding amount which expects provisioning at the rate of 100 percent. However, based on the collection efforts and the current and future initiatives being undertaken for collection it has been decided to follow a graded provisioning over a period of four years from the FY 2022-23. Under these assumptions, in the current financial year provisioning @ 60% on trade receivables is proposed under this age bucket for F.Y. 2024 and the same would be increased by another 20% each year till F.Y. 2026. From F.Y. 2026 onwards, 100% provision would be applicable under this age bucket.

	Particulars	31.03.2024	31.03.2023
(a)	Net loss after tax (numerator used for calculation)	(2,269.11)	(7,375.03)
(b)	Weighted average number of Equity Shares (denominator for calculating Basic EPS)	280245622	251935752
(c)	Weighted average number of Equity Shares (denominator for calculating Diluted EPS)	292581563	258855740
(d)	Basic earnings per share of ₹ 1000/- each	(80.97)	(292.73)
(e)	Diluted earnings per share of ₹ 1000/- each	(80.97)	(292.73)

(As per para 43 of Ind-AS 33 issued by Institute of Chartered Accountants of India, Potential Equity Shares are treated as Anti-Dilutive as their conversion to Equity Share would decrease loss per share, therefore, effect of Anti-Dilutive Potential Equity Shares are ignored in calculating Diluted Earnings Per Share)

These Policies/Regulations are modified from time to time based on need and development in the sector. Hence the policy/regulation is not restricted only to compliance but also has implications for operational performance of utilities, return of Equity, Revenue, competitiveness, and scope of supply.

(D) Disclosure regarding audit observation of C&AG's office in respect of accounting of subsidies UDAY, RDSS and Additional Revenue Subsidy:-

(a) C&AG's office has issued audit comments on the financial statements of F.Y-2022-23 challenging the "True & Fair View" of DISCOMS and UPPCL CFS on the grounds that the excess subsidy claimed by UPPCL amounting to ₹2,368.34 Crore during the period 2017-18 to 2020-21 under UDAY and ₹4,112.25 Crore during the period 2022-23 under RDSS.

However, the management is of the view that the subsidy under UDAY and RDSS was correctly calculated and claimed on the basis of agreed methodology and in line with the requirements of Ind AS 20 and consequent to due approvals by the Government of Uttar Pradesh and receipt of the funds through the State Budget. The matter has been referred to C&AG through the Govt. of U.P vide letter no. 562/24-P-1-2024-51/2024 dated 09-04-2024 for a review & their reply is awaited.

(b) As per GO no. 445-1-21-731 (Budget)/2020 dated 05.03.2021, GoUP has accepted to provide additional revenue subsidy of ₹39,743.00 Crore to the DISCOMs (subsidiaries) for the period 2007-08 to 2019-20 as approved by the UPERC through its Tariff/True-up orders issued from time to time. The above GO also provided that, out of total additional revenue subsidy of ₹39,743.00 Crore, Rs 25,081.46 Crore shall be deemed to be paid from the grants provided to the DISCOMs by the GoUP under UDAY in earlier years. The balance amount of ₹14,661.53 Crore shall be paid to the DISCOMs by GoUP in the next 10 years, commencing from 2021-22. Apart from this, the balance amount of loss funding of ₹6,278.47 crores for the period FY 2016-17 to 2019-20 were also payable by the GoUP under UDAY. Thus, the total subsidy of ₹20,940.00 crores (₹14,661.53 Crore of revenue subsidy and Rs. 6,278.47 Crore of loss funding under UDAY) are receivable from the GoUP in favour of DISCOMs through the holding company (UPPCL) and the same are to be paid by the GoUP in 10 years beginning from 2021-22. The aforesaid subsidy of ₹20940.00 Crore had been allocated to the DISCOMs after making the necessary adjustments as tabulated below:

(₹ in Cr.)

S.N	Name of DISCOM	Addl.Tariff subsidy	UDAY Subsidy	Total Subsidy
1	PuVVNL	6,401.50	1,714.04	8,115.54
2	MVVNL	-	978.08	978.08
3	DVVNL	-	2,159.69	2,159.69
4	PVVNL	8,260.03	886.42	9,146.45
5	KESCO	-	540.24	540.24
	Total	14,661.53	6,278.47	20,940.00

(c) C&AG's office has issued a comment on the accounting of the above subsidy of ₹20,940.00 Crore in the financial year 2020-21, however the management was of the view that the accounting treatment made in the books of account of the company was correct. Therefore, to clarify such difference of opinion between C&AG's office and management, in respect of accounting of above subsidy, the management has sought the opinion of Expert Advisory Committee (EAC) of ICAI in respect of accounting treatment of such receivable subsidy amount vide letter no.385/PCL/CA/N-312/EAC opinion/2023-24 dated 15.09.2023. The EAC of ICAI has provided the opinion vide letter TD/EAC/1857/23 dated 01.05.2024 and according to the opinion of EAC of ICAI, the company has made necessary accounting in the books of account of F.Y. 2023-24 related to its share in accordance with Ind AS 20 & Ind AS 8.

38. **Recent pronouncements/ Amendments:**

Vide notification dated March 31, 2023, the Ministry of Corporate Affairs has notified the Companies (Indian Accounting Standards) Amendment Rules, 2023 which amends certain Indian Accounting Standards, and are effective from April 1, 2023. The summary of the major amendments and its impact on the Company are given hereunder:

- i) Disclosure of accounting policies – amendments to Ind AS 1 – Presentation of financial statements: This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies. These amendments define what is ‘material accounting policy information’ (being information that, when considered together with other information included in an entity’s financial statements, can reasonably be expected to influence decisions that the primary users of general purpose financial statements make on the basis of those financial statements) and explain how to identify when accounting policy information is material. They further clarify that immaterial accounting policy information do not need to be disclosed. If disclosed, they should not obscure material accounting information.

The Company has evaluated the amendment and suitably modified its Material Accounting Policies. However, impact of the said amendment on the Company’s financial statements is not significant.

- ii) Definition of accounting estimates – amendments to Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors: The amendment clarifies how entities should distinguish changes in accounting policies from changes in accounting estimates. The distinction is

important, because changes in accounting estimates are applied prospectively to future transactions and other future events, whereas changes in accounting policies are generally applied retrospectively to past transactions and other past events (as well as the current period).

The Company has evaluated the amendment and there is no impact on the Company's financial statements.

- iii) Deferred tax related to assets and liabilities arising from a single transaction – amendments to Ind AS 12 - Income Taxes: This amendment has narrowed the scope of the initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences.

The Company has evaluated the amendment and there is no impact on the Company's financial statements.

Amendments/ revisions in other standards are either not applicable or do not have any material impact on the financial statements.
